

## **WAXING POST CARE INSTRUCTIONS**

For best results and optimal skin protection after treatment, please follow these instructions.

- Avoid applying heat to waxed areas for 24 to 48 hrs. This includes bath, sauna and steam.
- Avoid sun tanning or tanning beds for 12 to 24 hours post waxing.
- Do not apply heavily fragranced products to waxed area.
- No skin exfoliates or abrasives to waxed areas for 24 hrs post treatment.
- If you are prone to ingrown hairs a light exfoliation to area is advised after your 24 hr wait period.
- No high SPF sunblock to waxed areas 24-48hrs after treatment.

If you have any questions about your waxing service and after care protocol, please contact Tonya W. Cameron RN @ Skin Studio Okc.
